Site Specific Charging for Gold King Mine Release.docx

Paula,

Can you please add the account code in the attachment to this email to Kevin, Brian, Jeff and David Goldbloom-Helzner's account code favorites for People Plus? This will allow them to charge their time in the EOC to the Gold King Mine incident.

Thank you,

Rosemary

All,

If this code applies to you, please work with Paula Mason to add this to your account code favorites. Remember once added you have to select the code when you are charging to it. Thank you.
